[Email: rose-ntondumu.bote@grenoble-em.com](mailto:rose-ntondumu.bote@grenoble-em.com)

I am currently a Doctorante associated with the IREGE research lab, Université Savoie Mont Blanc and Research Assistant and PhD student at the Grenoble Ecole de Management. My research is on how micro practices in Organizations impact on grand challenges like inequality. I focus on Microfinance as a community based organization and look at the daily activities of loan officers and how their actions influence inequality within the communities they serve.
