Research experiences

Papers under work

- Rethinking the geography of sustainability transitions by considering natural and rural niches: a case study of the French Mountains
- Le rôle de la communication informelle dans les organisations démocratiques : une ethnographie au sein d'une coopérative de salariés (With Stéphane Jaumier)

Research assistantship and service

- Coding an anthropologic corpus on cooperatives
- Organizing workshops to test different tools to rethink business models
- Traducing small papers from English to French
- Working on different projects with Cluster Montagne
- Helping for a literature review on digital memes
- Working on a literature review focusing on the transition of French mountains

Pedagogical experiences

Teaching

- Teaching the Innweek for two classes of 40 students during 48 hours. Students had one week to develop new ideas and follow the different steps of innovation processes.

Pedagogical assistantship

- Preparing and analyzing the module Innweek
- Helping to prepare and organize classes on Innovation and Sustainable Development
- Supervising a professional thesis

Other professional experiences

Campus Manager

Boccard, Lyon, September 2019 – August 2020

One-year apprenticeship in human resources. I was responsible of internships, apprenticeships and I developed the employer brand.

Event manager assistant

Totalsport, Auckland, February 2019 – August 2019

Internship in sport event management in a company specialized in running off-road and MTB. We organized events every 3 weeks for hundreds of participants

Business developer

Aguaventura Expediciones, Chile, July 2018 – January 2019

Internship in adventure tourism agency specialized in outdoor activities, climbing of volcanos and skiing rental. I sold activities and equipment for many sports, managed the shop and helped for human resources and partnerships.

President

Humanitarian organization “Savoir Oser la Solidarité”, March 2017 – April 2018

President of the humanitarian organization of GEM, with 200 members and 18 projects helping more than 2 000 disadvantaged children all over the world by building schools, organizing events and activities, and collecting funds.

Commercial and communication assistant

Les Grands Bains du Monétier, June 2017 – August 2017

3 months internship in a touristic valley of the Alps in a famous thermal center. I worked on partnerships, communication and customer relationships.

Project manager

Trail My Day, October 2016 – April 2017

I coordinated the first edition of a trail for beginners near Grenoble, managed a team of 10 members, and represented the project in front of other stakeholders.

Education & Training

2020-now

PhD program, Grenoble Ecole de Management

2016-2020

Master degree (Programme Grande Ecole), Grenoble Ecole de Management

2013-2016

Classes Préparatoires, Gaston Berger in Lille

2013

Baccalauréat in economics with distinction

Interests
